We only have guernsey milk in Guernsey, yet we're not on the list????

ADMINISTRATORS REPLY:-

This is a developing site and we have been concentrating on suppliers and customers on Mainland UK. We also have a list of supplies from other countries.

We are hoping to add the Guernsey Island suppliers and products in due course. If as an Islander you could help me out by recommending anyone or any product please feel free to [contact us](#)

.

Many thanks for your comment.
